What is the Transportation Infrastructure Investment Fund (TIIF)?

The Transportation Infrastructure Investment Fund is established to provide economic assistance for renovation, construction, or any other type of improvements to roads and related transportation infrastructure in order to attract new businesses to this state, or expand existing businesses in this State, when such an economic development opportunity would create a significant number of direct, permanent, quality full-time jobs.

More information on TIIF can be found on our [Development Coordination](#) website.

If you have any questions, please feel free to contact the Development Coordination Section at (302) 760-2266.
